Dino Rossi has a proven record of working for a Better Washington.

Congress is broken and needs fresh leadership. With your help, Dino will solve problems in Congress for our families and communities.

Dino successfully served in our State Senate, leading a divided Legislature to a **responsible balanced budget** that protected our most vulnerable, without raising taxes.

Service to our community is central to Dino's life. A longtime member and past Chair of the Board of Special Olympics Washington, Dino has been honored eight times by the developmentally disabled community for his leadership.
