

*Handel bragged about voting with Donald Trump ninety-eight percent of the time, fought for Trump's health care plan which would leave 23 million Americans without health insurance and supported the horrific policy of separating children from their parents.*

**At A Debate, Handel Said She Would Have Voted For The American Health Care Act.** “[00:30:57]

HANDEL: You know, once again, Congress failed to deliver on its promise, its commitment, to not only the people of the 6th, but to Americans. For six years—six years!—there was talk of repealing and replacing and we had the opportunity to do it—was the bill perfect? No. But I would not have allowed the pursuit of perfection to keep us from doing that repeal and replace and moving forward with some progress for businesses and American families. Obamacare has been the single biggest intrusion into our lives in my lifetime. It is telling us who our doctors are gonna be, our premiums have skyrocketed. We made—Congress made a promise to the people of this country, they failed to deliver. As your Congressman, for the 6th district, I will deliver because I understand how to get things done and my track record shows it.” [BrandBank Candidate Forum, [3/29/17](#)]

The increase in the number of uninsured people relative to the number under current law would reach 19 million in 2020 and 23 million in 2026 (see Table 4, at the end of this document).” [CBO, [5/24/17](#)]

**Handel Voted For Blocking Consideration Of A Bill Prohibiting The Department Of Homeland Security From Separating Immigrant Families.** In June 2018, Handel voted for: “Newhouse, R-Wash., motion to order the previous question (thus ending debate and possibility of amendment) on the rule (H Res 953) that would provide for House floor consideration of the bill (HR 6136) that would appropriate \$23.4 billion for various border security activities.” According to the Congressional Record, “If we defeat the previous question, I will offer an amendment to the rule to bring up Ranking Member Nadler’s bill, H.R. 6135, the Keep Families Together Act, which I am proud to cosponsor. This thoughtful proposal would prohibit the Department of Homeland Security from separating children from their parents, of course, except in extraordinary circumstances, and limit the criminal prosecution of asylum seekers.” A vote *for the motion* was a vote to block consideration of the bill prohibiting immigrant family separations. The motion was agreed to 233-191. [HR 6136, [Vote #285](#), 6/21/18; CQ, [6/21/18](#); Congressional Record, [6/21/18](#)]
