

With this campaign, I want to hit the ground running and set my agenda first thing.

Whether it's lowering taxes and cutting back wasteful spending, creating jobs and growing our economy, or repealing and replacing Obamacare, our mission begins now.

I know there are A LOT of important battles ahead so I want to hear from you as soon as possible on this. Where do you stand? What are your top priorities?

[TAKE THE SURVEY](#)

I'm running to fight for YOU and give a voice to your interests. That is why I need you to weigh in NOW to make sure we're on the same page.

I look forward to hearing your take.

Claudia
