

## Communications Director

Congressman Chris Deluzio's campaign is seeking to hire a creative, motivated communications director. This individual will work closely with the campaign manager, Congressman Deluzio, and the rest of the campaign team. They will have the opportunity to not only play a key role in steering the campaign to another strong win this cycle, but will also be part of a larger effort to reorient the Democrat's messaging and policies.

After two cycles as a DCCC Frontline/R2B candidate, Congressman Chris Deluzio has consistently overperformed in his district (+6 in 2022, +8 in 2024) and is running for reelection to continue representing PA-17. Western Pennsylvania is a critical region for Democrats to win, and the Deluzio campaign is uniquely focused on investing in and building strength here – and across the Commonwealth.

Congressman Deluzio has garnered national attention this cycle for pushing Democrats to focus on a message of economic populism: we need to revive the American dream, confront corruption, and take on corporate power's stranglehold on the economy.
